

BOTOX *with your* BESTIES

Botox with Your Besties events offer **more than just Botox**. We are able to offer all of our services such as facials, fillers, and infusions.

We'll help you organize and plan the perfect get-together - including email invites, text reminders, event setup, and our expertise. You have the choice to host in the comfort of your own home or to have us be your personal venue.

And once the event has ended, we offer take home perks for you and your guests, so the fun doesn't end... Even once the party is over.
